

Tarkeshwar Narain Agrawal College of Education

(Autonomous)

Harigaon, Ara

Incubation Centre

The Incubation Centre of Tarkeshwar Narain Agrawal College of Education (TNACE), Ara is established to promote innovation, entrepreneurship, creativity and skill-based development among students. The Centre provides a supportive platform where students can transform their innovative ideas into practical projects, entrepreneurial ventures and sustainable business opportunities.

Objectives

- To promote an entrepreneurial mind-set among students.
- To encourage innovation, creativity and problem-solving skills.
- To provide guidance for developing innovative ideas and business models.
- To support students in converting ideas into viable projects and start-ups.
- To facilitate interaction with entrepreneurs, industry experts and professionals.
- To encourage technology-based and socially relevant innovations.
- To develop employability, leadership and management skills.

Major Activities

- Entrepreneurship Development Programmes
- Start-up and Innovation Workshops
- Idea Generation and Business Plan Competitions
- Mentoring and Expert Interaction Sessions
- Skill Development and Training Programmes
- Student Project Development
- Awareness programmes on start-up and entrepreneurship
- Industry and institutional networking
- Pitching and presentation of innovative ideas

Support to Students

The Incubation Centre aims to provide students with mentoring, guidance, training, networking opportunities and access to institutional resources for developing their entrepreneurial ideas. Students from different programmes can participate in innovation and entrepreneurship activities according to their interests and skills.

Expected Outcomes

- Development of entrepreneurial and innovative thinking.
- Increased student participation in start-up activities.
- Development of innovative student projects.

- Improvement in employability and self-employment opportunities.
- Promotion of local and socially relevant innovations.
- Creation of a culture of innovation and entrepreneurship within the institution.
